

MAYOR'S NOTES

I hope everyone is enjoying this wonderful springtime weather here in the middle of April. Summertime is upon us and school will be getting out soon. With summertime comes grass mowing. Let's make sure each of us do our part in keeping our properties looking good and if we do that then the whole city will look better.

The Teapot Festival is almost on us. Opening ceremonies will be Sunday, April 30th at 4:30 PM at the Pedestrian Park. The committee has done a wonderful job putting together some wonderful activities for the whole family the entire week. Of course it will end with the parade and Truck/Tractor Pull on Saturday and Saturday night. You can pick up brochures at any of the banks and at City Hall. Let's make plans to get out and attend some of these activities. This is the time to showcase Trenton to people that are visiting our city. Let's make her look good and be proud of her.

The contractors will be finishing up the Phase II Downtown Revitalization in a few weeks. Again, this is just an effort to make your city look better. I know some people think we are spending the city's money on something that we could be spending it on somewhere else. This is done through a grant from TDOT. Yes the city has to put up some matching funds, but we are not footing the whole bill. I know it has been an inconvenience to some shoppers and business owners, but when it is complete it will be something to be proud of.

I hope each of you has a wonderful summer.

UNTIL NEXT TIME

GOD BLESS YOU AND GOD BLESS TRENTON

MAYOR RICKY JACKSON
