

MAYOR'S NOTES

I hope everyone had a wonderful and thankful Thanksgiving holiday. I wish the time you got to spend with family and friends was special. I know some were not able to do this for various reasons, but I hope you had a Happy Thanksgiving as well.

With Thanksgiving past us now, we look to the colder weather and the leaves now falling rapidly. The guys on the leaf machine truck are working diligently to get the piles of leaves up as quickly as possible. Please bear with us as they try to make their way around the entire city before they start over again.

There was a big announcement in Gibson County November 20th about Tyson Foods coming to the Gibson County Industrial Park. While this is in the corporate limits of Humboldt, it can do nothing but help the entire County. Approximately 1,500 jobs come with this plant to Gibson County. Ground-breaking and construction are to take place in early summer of 2018 with some 400-500 jobs to construct the plant. The plant is set to open in late 2019 or early 2020. There will be lots more information about this in the months to come.

The City Stew is set for Wednesday, December 13th. Make your plans to come and have a bowl or two with us on that date. It will be from 11AM-1PM in the Fire Dept.

Folks, Christmas is on top of us. I want to wish each citizen of Trenton the very best this Christmas season. Let us not forget the real reason for the celebration. When you are buying your gifts, please look to buy at your local stores if possible. The \$\$ spent at these places stay at home and help with our local economy.

So, as we get ready to say goodbye to 2017, Let's work together to make 2018 a year to remember!!!

UNTIL NEXT TIME

GOD BLESS YOU AND GOD BLESS TRENTON

MAYOR RICKY JACKSON
